Name : \_\_\_\_\_

Usage : \_\_\_\_\_

9

Our ancestors believed that there was another life after death, so they prepared many burial objects for use after they died. This practice is similar to one of today's folk beliefs. Do you know what it is and can you tell the differences ?

---

---

10

The emperors of China were very concerned about life after death. Many of them started to build their tombs when they were enthroned and put many burial objects into the tomb. Find one emperor's tomb from your reference books and list some of the burial objects found in it.

---

---

# Quiz

11
