

Bid Temporary Farewell to ‘The Hong Kong Story’ Permanent Exhibition of the Hong Kong Museum of History

Welcoming more than ten million visitors over the past 19 years, ‘The Hong Kong Story’ permanent exhibition of the Hong Kong Museum of History has enjoyed an enthusiastic response since its opening in 2001. The Exhibition is temporarily closed from 19 October 2020 for an extensive revamp. While the Exhibition is preparing for a new look, the Museum remains open. Apart from continuing a variety of our public programmes, we have specially curated the ‘History Through the Lens: Photographs of Early Hong Kong’ exhibition at the Lobby, showing you the development of the north coast of Hong Kong Island from the mid-19th to the mid-20th century; and the ‘Recreating a Classic: The Best Features of the Hong Kong Story’ at the Exhibition Gallery on 1/F from 14 December 2020 to show you the highlights of ‘The Hong Kong Story’ exhibition featuring Hong Kong’s folk culture and historical development from the pre-historic period to the return to the motherland in 1997.

Thank you for your continued support to our Museum. Stay tuned for further updates at our website <https://hk.history.museum>
